Overview

AYSO All-Stars is a continuation of play for players who played in the recreational division of AYSO in the Fall (Extra players are not eligible). All-Star play starts at the U10 level and continues through U14. The All-Star season follows the intra-region Fall recreational season, with play taking place in January and February 2014. Players for the All-Star teams are chosen by the All-Star Committee to participate in All-Star play based upon their performance in games during the recreational season and an All-Star tryout process. The All-Star Committee shall be comprised of selected coaches who have coached in the respective division during the Fall season or who have knowledge of the players in that division.

All-Star play is highly competitive, and is often a stepping stone for those who wish to take part in the Extra program. A full commitment to all All-Star games, tournaments, and practices is required to be considered for selection to the All-Star team.

Dates and details of the All Star Team Selection Process

- | | |
|-------------------|---|
| 10/15/2013 | Deadline for Coaches to submit individual player ratings for their Fall 2013 recreational teams. |
| 10/26/2013 | Coaches to let the individual players know that they are invited to try out for the All-Star team. This should be done on a one-on-one basis and not in front of the team or other players. The maximum number of nominations per team is: U10 – 3, U12 – 4, U14 – open tryouts There is no minimum number of nominations |

required. Coaches should ensure that all nominated players are of the proper rating and caliber for their respective divisions.
