

AYSO Region 55 EXTRA Program - Fall 2012

Overview

The EXTRA program is designed to give AYSO players an opportunity to participate in a more competitive level of soccer play without the substantial increase in cost, time commitment, and travel required of club soccer.

The AYSO EXTRA program is run during the Fall season. Teams may also participate in other pre and post season tournaments. Region 55 teams compete against other AYSO EXTRA teams from Section 11 (www.aysosection11.com)

Players

A player interested in the EXTRA program should understand the higher level of commitment and work that the program entails. All players registered for the coming AYSO Fall season are welcome to tryout. Attendance at the posted tryout date is mandatory in order to be considered for the team.

EXTRA Team players may not play on another AYSO standard primary program team during the same season nor will they be eligible for All-Star play. Players selected to the EXTRA Program will commit to their teams as their priority non-school activity. It is expected that every player attends each practice and game at the agreed upon times. In order to satisfy the commitment required by the Section Eleven EXTRA Program, players may not be enrolled and participate in other non-AYSO or Club soccer programs during the EXTRA Program season.

Tryouts for the 2012 EXTRA teams will be held at Lark View (Ocean View District Offices - 17200 Pinehurst Ln.) at the following dates & times: Please arrive 15 minutes before your scheduled tryout.
